

PAK AGRO
GROUP OF COMPANIES

CHAIRMAN MESSAGE

Pak Agro Group is one of the fastest growing corporate groups in Pakistan and manages companies that are industry leaders in their respective sectors, i.e. edible oil, packaging, and textiles.

Our objective is to build a successful corporate group and also to develop and give back to the societies in which we operate.

As a group, our driving goal is to grow, succeed, and become a leader in every business that we engage in, bringing our traditional family values of equality, honesty, and trust to bear on modern and innovative ways of working and developing our business and associated relationships.

We have always implemented top management practices and acquired state-of-the-art technologies to improve our business efficiencies and surpass our past achievements.

We will continue to build partnerships with our customers through the products and services we offer. Being a successful corporate entrepreneur, we continue to play our role in the economic development of Pakistan.

Shahid Ahmed

CHAIRMAN,
PAK AGRO GROUP

VISION

Our vision is to be the most competent, sustainable, and progressive global conglomerate.

MISSION

We believe that the real growth lies in diversity and the ability to provide the highest quality products and services to our clients, ensure long-term profitability, and consistently work toward the benefit of the workforce, clients, and society as a whole.

WHO WE ARE

The history of Pak Agro Group can be traced back to 1970, when the foundation of a trading house was laid. The commodities trading business transformed into the manufacturing & export of woollen blankets and raw wool. Going forward it revolved into one of the diversified leading business group of Pakistan with the vision of Mr. Shahid Ahmed Chairman of the group in a period spanning five decades, served as the milestone in this prolific journey.

It is an organization with diversified interests in Edible Oil, Textiles and Packaging that proved its business standing in the local and international markets by virtue of its outstanding achievements.

OUR SUCCESS JOURNEY

- 1970** Foundation of a trading house
- 2006** First milestone with the formation of parent Company “Pak Agro Oil Mills (Pvt.) Ltd.” for establishing Solvent Extraction Plant.
- 2013** First Pakistani Company granted export license for export of Oilseeds Meal to China.
- 2014** Diversified the business into Plastic Packaging to cater the export market.
- 2018** In addition to packaging business by introducing Extrusion Lamination, Gravure Printing and FIBC Bulk Packaging.
- 2021** Established a textile manufacturing unit for the export of Terry Towels.
- 2022** Planning is in progress for vertical textile set up.

The Group has received numerous awards and trophies from the Government of Pakistan, Provincial Government and various institutions during five decades in their successful journey.

PAK AGRO OIL MILLS (PVT.) LTD.

Pak Agro Oil Mills (flagship company of Pak Agro Group) was established in 2006 and is one of the leading players among edible oil extraction companies in Pakistan. The Solvent plant has an existing crushing capacity of 800 MT per day. The plant produces edible oil and seed meal from imported oil seeds, such as Soybeans, Canola and Sunflower seeds. The oilseeds are primarily imported from the countries like USA, Brazil, Canada, and Australia through top grain suppliers i.e. Cargill, Louis Dreyfus , Vittera, Cofco, ADM, Olam, & Al Ghurair. The company also has a 100 TPD Cooking Oil refinery and a Banaspati hydrogenation plant to produce its own brands, Harpal and Goldflower.
